

# THE MILL CAFÉ

AT BODMIN NURSERY

**A very warm welcome to The Mill Café.**

**We are proud to be cooking and baking every day, sourcing Cornish food and using local producers as far as possible.**

A server will come to you and take your order. We will then bring your food to a collection point close by and call your number for you to collect your order. Payment will be made at the table to your server, preferably using contactless payment.

Do advise us of any dietary questions or special request before ordering. We aim to have at least one gluten-free cake and one vegan cake, as well as gluten-free bread available.

**Please see board for any daily specials.**

We can provide food and drinks to take away – just ask for details.

Please adhere to the 1 metre plus social distancing and observe our signage & direction-flow, so that we can all keep safe – this is of paramount importance to us. Please note that with fewer tables due to social distancing, we ask you to be mindful of how long you occupy your table – thank you for your co-operation.

If you are pleased with your visit, do tell your friends or leave a Trip Advisor review, but if you are unhappy with any part of your experience, please do ask to speak to our café Manager and we'll make every effort to rectify your concerns.

## Thank you

Open every day 10am – 4pm  
(lunches served until 3pm)
