

# THE MILL CAFÉ

AT BODMIN NURSERY

**A very warm welcome to The Mill Café.**

**We are proud to be cooking and baking every day, sourcing Cornish food and using local producers, as far as possible.**

A server will come and take your order and then your meal will be brought to your table. Payment will be made at the table to your server, preferably using contactless payment.

**Please advise us of any allergy/dietary questions or requests before ordering.**

We aim to have at least one gluten-free cake and one vegan cake, as well as gluten-free bread available.

Please see board for any daily specials.

We can provide food and drinks to take away – just ask for details.

If you are pleased with your visit, do tell your friends or leave a Trip Advisor review, but if you are unhappy with any part of your experience, please do ask to speak to our Café Manager and we'll make every effort to rectify your concerns.

Enjoy the  
freshly ground  
amongst  
the freshly  
grown

## Thank you
